Gracepath Development Foundation

Our Patrons - Mrs. Thresiamma John & Mrs. Mary Sebastian

At Gracepath Development Foundation, our mission is anchored in the timeless values of selfless service, compassion, and spiritual guidance passed down by our revered Patrons, **Mrs. Thresiamma John and Mrs. Mary Sebastian**. As the true driving force behind our organization, their lives of quiet sacrifice, unwavering faith, and generosity have served as our constant inspiration. Their enduring legacy forms the guiding foundation for all our efforts to transform lives and serve the society.

Jomon T. John - Chief Advisor

Jomon T. John is a healthcare leader, entrepreneur, and executive serving as the Owner & Founder of **New Light Psychiatric Services**. With extensive experience in mental health administration, clinical practice oversight, and healthcare entrepreneurship, Jomon has established high standards of compassionate, evidence-based behavioral healthcare practices.

A distinguished alumnus of **Visva-Bharati University, Santiniketan (Kolkata)**, Jomon's foundational worldview was deeply shaped by the institution's rich heritage of humanism, holistic education, and social progress. Earlier, he worked extensively in the social sector through notable associations with the **Council for Advancement of People's Action and Rural Technology (CAPART)** and the **SNS Foundation**. These experiences provided him with profound insights into grassroots level community service, rural development frameworks, and institutional empowerment.

As **Chief Advisor** to the **Gracepath Development Foundation**, he provides strategic guidance, governance oversight, and expert leadership to advance the foundation's community outreach, wellness and organizational growth initiatives. His cross-sector background in healthcare business management and community advocacy helps drive Gracepath's mission to empower and uplift the communities.

Dr. Panchami Thomas - Advisor: Health & Clinical Affairs

Dr. Panchami Thomas, DNP, PMHNP-BC, is a healthcare leader, advanced practice clinician, and mental health advocate. She holds a Doctor of Nursing Practice from the University of South Alabama and is a board-certified Psychiatric Mental Health Nurse Practitioner with extensive expertise across inpatient, outpatient, and community care settings.

As a lead clinical provider, Dr. Panchami manages comprehensive care practices, offering specialized psychiatric evaluations, medication management, and therapeutic services. Her clinical work focuses on addressing complex behavioral health needs with compassionate care.

In her role as **Advisor – Health & Clinical Affairs**, Dr. Panchami provides strategic oversight and expert guidance to Gracepath on community health, clinical initiatives, and wellness programming. Her deep commitment to holistic patient care and healthcare accessibility helps guide our mission to foster health equity and empower individuals and families across the community.

Gracepath Development Foundation

Gino Sebastian - Chairman

Mr. Gino Sebastian is an executive leader and corporate director with over two decades of multifaceted experience across different functions.

Gino has established a reputation for driving operational excellence, building resilient systems and practices, and establishing collaborative institutional relationships. His cross-functional expertise spans large-scale project management, workforce development, and strategic corporate governance. Recognized for his strategic vision, he was honored by EQ Magazine as **Top 50 under 50 Renewable Energy Leaders** in India.

During his corporate career, Gino has authored and implemented robust corporate policy frameworks—including the "Collective Discipline" HR framework—ensuring 100% compliance with local and international labor laws. As the primary point of contact for high-level government negotiations, he bridges corporate governance with regulatory alignment. In addition to his corporate achievements, he brings a long-standing commitment to social welfare, having dedicated two years to supporting the HIV/AIDS Prevention & Advocacy initiatives of the Bill & Melinda Gates Foundation.

As **Chairman** of the **Gracepath Development Foundation**, Gino brings his executive vision, strategic acumen, and deep-rooted commitment to social impact to the forefront of the organization's mission. Driven by a passion for social equity and community empowerment, his leadership serves as a guiding beacon for Gracepath's initiatives aimed at uplifting marginalized populations, fostering sustainable development, and creating long-term positive change across society.

Gracepath Development Foundation

Mrs. Johnsy Gino, Vice Chairperson

Mrs. Johnsy Gino is a dynamic leader whose career spans clinical healthcare, creative entrepreneurship, and dedicated public service. With over 15 years of experience as a Registered Nurse, she served in leading hospitals across Andhra Pradesh, Delhi, and Gujarat, establishing a strong foundation in patient care, empathy, and community health.

Driven by a passion for design and business, Johnsy transitioned into entrepreneurship by formalizing her training as a professional Fashion Designer. She successfully founded and manages **Ambi's Studio** and **Ambi's Atelier**, a premier fashion studio and designer house. As a successful business owner, she has built a reputation for creative excellence and executive leadership.

Her deep commitment to social welfare led her into active public governance. She currently leads local initiatives focused on community development, social security, and empowering marginalized families.

As **Vice Chairperson** of the **Gracepath Development Foundation**, Johnsy brings her compassionate healthcare background, executive leadership, and public service experience to the core of the foundation. Her heartfelt dedication to uplifting the underprivileged serves as a constant source of inspiration and vitality for Gracepath's social and humanitarian endeavors.

Gracepath Development Foundation

Ms. Angelina Mary Gino - Chief Coordinator

Ms. Angelina Mary Gino is a vibrant youth leader, mental health practitioner, and dynamic advocate for social service, driven by the belief that dedicated service to society is the ultimate path to a meaningful life. A Psychology graduate from Rajagiri Viswajyothi College of Applied Sciences, she combines academic rigor with practical clinical training and a deep empathy for human well-being.

Angelina has completed specialized training in Clinical Psychology with valuable exposure to Forensic Psychology, along with certifications in Peer Counselling. Her hands-on field experience includes impactful work with the **Kerala Rehabilitation Institute for the Physically Affected (KRIPA)** and a clinical internship at **Yellowwings**, where she supported individuals through psychological assessment, counseling, and holistic rehabilitation care.

In addition to her clinical and academic foundation, Angelina brings exceptional creative energy and communication skills to her community work. A trained Bharatanatyam dancer with nearly a decade of formal practice and an experienced stage anchor, her artistic versatility adds extraordinary vibrancy, cultural depth, and poise to her public engagements.

As **Chief Coordinator** of the **Gracepath Development Foundation**, Angelina oversees program coordination, youth engagement, and community outreach operations. Her passion, structured approach to psychological support, and commitment to societal uplifting serve as an inspiring bridge between Gracepath's leadership vision and its community-level impact.

Leadership Matrix

Gracepath Development Foundation

Mr. Alan Joy - Program Coordinator

Mr. Alan Joy is a dedicated social work professional, youth advocate, and community organizer driven by a lifelong passion for social service and human empowerment. Holding a Master's degree in Social Work (MSW), he combines professional methodologies with a strong, hands-on commitment to community development.

During his academic career, Alan distinguished himself as an energetic student and university-level youth leader. His leadership, discipline, and commitment to service were further sharpened through his selection and participation in national-level camps of the National Cadet Corps (NCC). These experiences built a strong foundation in team leadership, civic responsibility, and strategic event management.

Alan brings valuable practical exposure to his role, having completed intensive field associations with esteemed institutions including **St. John's National Academy of Health Sciences (Bengaluru)**, **Louismount Hospital & Rehabilitation Centre (Wayanad)**, and **ADART (Pala)**. Through these real-world engagements, he gained deep experience in medical and psychiatric social work, community health, rural development, and social action frameworks.

As **Program Coordinator** at the **Gracepath Development Foundation**, Alan leverages his vibrant personality, youth connect, and field expertise to design, coordinate, and execute community outreach programs. His energetic leadership brings vitality and structure to Gracepath's initiatives, effectively bridging grassroots needs with impactful organizational programs.
